- Provides assistance in the development of short and long term economic and community development plans, as well as the gathering of information and preparation of studies, reports, and recommendations to achieve such goals. This will involve the preparation and understanding of information on utilities, taxes, zoning, transportation, community services, financing tools, and incentives, and the coordination with other departments, committees, and agencies as needed.
- Provides professional economic development advice, assist in the application and permitting process, and serve as an advocate for economic development in line with the Comprehensive Plan, zoning ordinances, and goals as established by Economic Development Advisory Committee.
- Maintains a liaison with various local, State, and Federal agencies, coordinating projects with agencies as deemed necessary and appropriate, i.e. DEP, HUD, Chester County Economic Development Council.
- Provides information and/or make presentations to supervisors, boards, commissions, civic groups, businesses, individuals, and the general public on economic development issues, programs, services, and plans.

- Becomes familiar with the existing inventory of available buildings and business and residential development sites within the community. This will include both public and private buildings and land areas.
- Prepares grant proposals and applications, contracts and other necessary documents as may be required for necessary community services.
- Implementation of various municipal initiatives, and providing research for municipal sponsored projects.
- Works to formulate and implement marketing and business attraction strategies.
- Monitors legislation and regulations relating to economic development, and report findings to the appropriate impacted parties.
- Maintains strong working relationships with the general public, area businesses, clients, the media, and others.

Training and Experience Required:

- Considerable experience in economic and community development, including administrative responsibility; graduation from a four-year college or university, preferably with specialization in economic and community development or a related field; or any equivalent combination of experience and training.
- Considerable knowledge of business development, community, and economic development.
- Working knowledge of municipal zoning and infrastructure, and planning programs and processes.
- Ability to identify funding sources for programs and projects; participate in writing and administering grants
- Ability to communicate effectively to groups and individuals, engineers, architects, contractors, developers, businesses, supervisors, employees, and the general public.
- Ability to establish working relationships with other organizations and economic development practitioners.
- Ability to prepare written and graphic materials; to compose clear and concise reports; to prepare and make presentations; and to communicate effectively, orally and in writing, with citizens, professional peers and elected officials.
